_____ has been provided with and/or reviewed the NSLC’s In-Store Customer Tasting Guidelines
(Supplier Rep / Demonstrator) and agrees to the following:

- Ensure the NSLC’s dedication to Social Responsibility (We-ID) is followed at all times by monitoring sampling and safeguarding against a minor or intoxicated person sampling product.
- Ensure that the content of an individual serving offered to a customer does not exceed the maximum serving.
 - Wine 1 ounce (30 ml)
 - Beer 2 ounces (60 ml)
 - Mixed Spirits 1/4 oz./7.5 ml alcohol to 3/4 oz./22.5 ml of non-alcohol
 - RTD 2 ounces (60 ml)
 - Non Mixed Spirits 1/4 ounce (7.5 ml)

In the case of a tasting where there are two wines being offered for tasting (1 white, 1 red), the demonstrator must ask which wine the consumer would like to try. If the consumer would like to try both, then 1/2 oz. (15 ml) of each wine can be sampled.
