Dear Ms. Martin,

Thank you for commissioning PRIZMA to conduct a **3rd Party Check of GRI Application Level of NSLC's first Corporate Sustainability Report.**

Objective and Scope of Work

The objective of this assignment was to conduct a 3rd Party Check of GRI Application Level and related disclosure requirements of NSLC's Report. The work performed included review of the Report (versions 23 Sept 2010 and 20 Oct 2010) and Gri Index dated 22 Oct 2010.

Qualifications and Independence

This 3rd Party Check was conducted by Mehrdad Nazari, PRIZMA's CSR Practice Leader. Mehrdad has 20 years of CSR, Audit and ESIA experience, is a GRI-approved sustainability reporting trainer, experienced in sustainability reporting, and licensed AA1000 Assurance Provider. Prizma was not responsible for the preparation of the Report and has not completed any work on behalf of NSLC over the past 12 months.

Findings and Conclusion

Based on our review, we confirm that the disclosure provided is consistent with GRI Application Level B.

Sincerely yours,
