Hello Everyone,

Attached please find the Category Review Licensee Call Out submission used to identify products of interest currently not available from the NSLC. Please take the time to complete all required information and note all deadlines for submissions.

Licensees who submit requests will be notified once samples are received. An informal “**licensee tasting**” will then be held at the Port of Wines, Doyle Street. Once an order is placed the licensee will be required to commit to specific products and exact case quantities. This information will be tabulated, product information will be entered in the NSLC system, and product will be ordered. Remember*** once product arrives, it will be immediately shipped out to licensees. Unfortunately we will not be able to warehouse product in the NSLC warehouse.

Please send completed requests to:

The NSLC Inside Sales Team

Fax: 1.888.592.7788

Email: salesdesk@thenslc.com

Confirmation of orders will be sent within 24hours. If you do not receive confirmation please follow up with the Inside Sales Team.
