

Required Resources for Upload – NSLC Permitted Producers

To complete the renewal for your 2026 Manufacturers Permit, you are required to resubmit the following key documents about your business(es). While these documents would have originally been submitted with your first NSLC permit, this one-time upload to the Permits Portal will help us establish a centralized digital archive that supports future applications and ensures consistency in our processes.

Requirements for the Manufacturers Permit(s)

- ☐ CRA excise license
- ☐ Floorplan
- ☐ Occupancy Limits, issued by a Fire Marshal or local fire authority
- ☐ Zoning Letter, issued by municipality
- ☐ Business Proposal, includes things like structure of business, products being made, ABV, quality control, # of employees
- ☐ Proof of liability insurance
- ☐ Acreage Certificate, if applicable

Requirements for Warehouse(s)

- ☐ CRA excise license
- ☐ Floorplan
- ☐ Occupancy Limits, issued by a Fire Marshal or local fire authority
- ☐ Zoning Letter, issued by municipality
- ☐ Proof of liability insurance

Additional Information Required (no uploads)

- ☐ Nova Scotia Joint Stocks Number
- ☐ Estimated yearly production volumes

Note: If applying for more than one location, applicants will need to upload the documents for *each* location.
