WHO TO CONTACT FOR

LOCAL SUPPORT AT NSLC

CATEGORY MANAGEMENT

The category teams are passionate about listing products that Nova Scotians love.

CONNECT WITH US TO DISCUSS:

- Your current and proposed product listing(s) at NSLC stores
- Promotion, placement, and pricing tactics and programs
- Product & category education opportunities across NSLC departments

PERMITS & REGULATORY

The permits & regulatory team can help you navigate the policies and procedures set forth by NSLC and AGFT.

CONNECT WITH US TO DISCUSS:

- NSLC regulatory obligations, such as permits and manufacturer policies
- The regulatory processes and procedures set forth by the NSLC, and ways to meet your individual needs
- Auditing programs and procedures

LOCAL ENGAGEMENT

This role was created as a resource for the local supplier community. The primary goal is to ensure involvement, representation, and communication on local initiatives at the NSLC.

CONNECT TO DISCUSS:

- Current and upcoming initiatives and engagement sessions for local suppliers at NSLC
- Navigating internal resources and departments
