

Compass Distillers Presents

Hell Isle Cask Reserve Dark Rum

Crafted from scratch using Crosby's molasses at our distillery in Halifax, this dark rum is meticulously distilled twice in our Vendome still and aged in new oak and ex bourbon barrels for one to four years.

Mature casks of the highest quality and complexity are selected by our distillers, which are carefully blended and allowed to rest for several months before bottling.

Tasting Notes: Notes of Tropical Fruit, Banana, Vanilla marries delightfully with oak, spices and a gentle warm finish.
