

## Placing your First Order With the NSLC

The AGFT will provide us with the details of your liquor license and we will create an NSLC licensee customer account for you. Your six-digit account number starts with a “5” and is the number you need to give the NSLC Service Excellence Centre or store whenever you are placing an order.

The NSLC is pleased to offer online ordering via [myNSLCwholesale.com](http://myNSLCwholesale.com). To obtain log in access to our online ordering portal today, please contact the NSLC Service Excellence Centre.

### Ordering

Licensee purchases must be paid for at the time of order. We accept VISA, Master Card and American Express. Going forward you can opt to retain a credit card number on our secured system or set up a pre-authorized debit account (PAP). For more details, please speak with a member of the Service Excellence Team.

Orders may also be placed through an NSLC store. Large orders must be phoned in and require 24 hours advance notice for pick up. For additional information, please contact the store you are interested in purchasing from and speak with the Store Manager.

### Keg Orders

Please advise the NSLC Service Excellence Centre when you are placing a keg order for the first time. This is particularly important if you have been ordering from the NSLC for a while but are just starting to order kegs.

Molson requires five (5) business days to set up a new customer. Labatt requires one (1) business day to set up a new customer.

Please note kegs are delivered Monday – Friday. Deliveries times outside of HRM are 2-3 days, depending on your location. Questions about delivery times go to Brewery Rep.

**Keg orders must be placed before 2:00pm daily.**

*All purchases must be paid for at the time of order.*
