6.5 Manufacturers' Off-Site Stores

INDUSTRY POLICY

March 1, 2018

1. POLICY STATEMENT

As part of the commitment to promote economic development in the province of Nova Scotia, the Nova Scotia Liquor Corporation will approve the extension of a manufacturer's retail outlet to temporary locations to participate in events that promote Nova Scotia tourism, the Nova Scotia agricultural industry or Nova Scotia food and beverage industry.

2. DIRECTIVES

- a. All local manufacturers who currently operate their own retail store may apply for an extension permit.
- b. The retail store operation must be in conjunction with an established event sponsored by a person/organization not directly related to the beverage alcohol industry.
- c. The event's primary purpose must be to promote Nova Scotia tourism, Nova Scotia agriculture industry, or Nova Scotia food & beverage industry.
- d. The event is not to exceed three days unless prior written approval from the NSLC is received.
