

As the NSLC strives to provide a safer and more secure environment to process your credit card transactions, we will no longer be taking credit card numbers via telephone, email or fax. This also applies to any credit card numbers currently kept on file by the NSLC.

As a result of this change, permit applications will now be submitted online through our secure payment website, and all credit card payments will be completed by the applicant.

PERMIT APPLICATION FORM

1. The Permit Renewal notice that you receive will include a link to our new Permit Application webpage.

The link is also available on www.myNSLC.com or directly at <https://securepay.mynslc.com/permits>

2. Select the type of permit application to submit from the drop-down list. Click . You will be asked to confirm that the correct form has been selected, and click the green  to be directed to the form.
3. Complete all fields on the form electronically.
4. Carefully read the Declaration of Applicant at the bottom of the page, and select the checkbox to accept.

HOW TO SUBMIT PAYMENT

5. When the form has been completed, at the bottom of the page select payment type, complete the challenge question, and click .

Credit Card – Pay Now: you will be directed to NSLC Secure Pay site to confirm the amount due, and enter your payment information. Enter your payment card information and select . You will receive an email confirmation that your payment has been received.
